

## Letter from Alexander Graham Bell to Samuel P. Langley, April 8, 1904

648 April 8, 1904. Prof. S. P. Langley, Secretary, Smithsonian Institution, Dear Prof. Langley:-

Have you any position at the Smithsonian Institution or the National Museum in the class of laborer that could be occupied by a deaf mute? If so, the bearer of this note, Mr. Park, impresses me as a worthy man. He belongs to the District and received his early education at Kendall Green and all the people with whom he has come in contact with speak well of him. Anything you can do for Mr. Park will be greatly appreciated by me.

Yours sincerely, Alexander Graham Bell
